

Matthew M. Walsh, Executive Vice President, Chief Operating Officer, joined Geisinger Health in April 2017. He is responsible for planning, organizing, and continuously improving operations and outcomes across Geisinger's clinical enterprise consisting of 3,200 providers, 11 hospital campuses, four ambulatory surgery centers, and over 260 hospital outpatient and ambulatory clinics. He is also responsible for corporate functions including facilities planning/construction/operations, information technology, hospitality and security services, and the corporate project management office.

Prior to joining Geisinger, Matt worked at Henry Ford Health System (HFHS) in Detroit, MI, both on the provider and payer sides of the business. Matt received his bachelor's degree of Business Administration from the Ross School of Business at the University of Michigan and his master's degree in Healthcare Administration from the University of Phoenix.
