

KeyHIE Update

December

2018

It seems hard to believe, but December is already upon us, and so is a new round of the Pennsylvania Patient and Provider Network (P3N) Grant! In the past quarter, we have successfully completed our migration to Amazon Web Services (AWS), and are planning for our next **Sprint 36** release, which will occur on Thursday, January 3rd. Expected downtime will occur from 6:00pm 1/3 until 1:00am on 1/4. Here's what is included in this issue:

- [New KeyHIE Members](#)
 - [KeyHIE Success Story](#)
 - [Updated P3N Grant Information](#)
 - [KeyHIE Participant Survey](#)
 - [New P3N Opt-Out Form](#)
 - [Yearly MOU Attachment B Update](#)
 - [HIMSS Interoperability Journey](#)
 - [KeyHIE User Group Conference 2019](#)
-

Welcome to KeyHIE!

KeyHIE continues to grow, allowing more and more patients to benefit from clinical data exchange. The following new sites are now live in KeyHIE:

- Green Hill Family Practice
- Kindred At Home
- Peritech Home Health
- Renal Consultants of Wyoming Valley
- Scranton Counseling Center
- Select Specialty Hospital - Camp Hill
- Union-Snyder Area Agency on Aging
- UPMC Susquehanna Lock Haven
- UPMC Susquehanna Sunbury
- UPMC Susquehanna Skilled Rahab Nursing
- West Branch Nephrology

KeyHIE In the News

APhA **JAPhA**[®] Journal of the American Pharmacists Association

SUBSCRIBE TODAY!

An upcoming article to be published by the Journal of the American Pharmacists Association will showcase the impact KeyHIE can have on patient care. The study focused on the utilization of coordinated pharmaceutical care, facilitated by communication through KeyHIE. That coordination of care demonstrated overall reductions in 30-day re-admissions, lower patient mortality, and a significant increase in ROI based on the patients affected. We look forward to sharing the final article with you upon final publication.

Updated Information for P3N4 and P3N5 Grants

P3N4

- 34 sites were onboarded
- 26 sites connected to PA Registries
- \$2,340,000 total funding received

P3N5

- 54 sites submitted for grant funding
 - Total \$1577,500 in grant submission
 - PHG Grant will be announced soon
-

KeyHIE Participant Survey

KeyHIE would like you feedback! Please be on the lookout for an email regarding KeyHIE's Q2 FY19 Participant Survey.

You may also access the survey by scanning the QR Code on the left with your mobile device, or by clicking the button below:

Updated P3N Opt-Out Form Available

The PA eHealth Partnership has asked us to announce that a new version of the Opt-Out Form for P3N participation is now available, dated May 2018. Previous versions specify an address that is now incorrect, which can cause a delay in processing

Please use the linked form to ensure that P3N Opt-Out requests are processed as quickly as possible.

[P3N Opt Out Form](#)

[Yearly KeyHIE Memorandum of Understanding \(MOU\) Attachment B Update](#)

KeyHIE Participants are required to report updated statistics annually to ensure that all KeyHIE subscriptions are priced accurately. Beginning in January 2019, KeyHIE will begin sending the previous copy of the MOU, **Attachment B** for you to verify. If you have any updates or changes in your contact information, please contact us at KeyHIEAdmin@KeyHIE.org.

Case Studies in Interoperability

Dr. Camille White presents several case studies that illustrate the journey that other organizations are taking with regard to interoperability. You can check out the details here:

[Understanding Your Interoperability Journey: Gaining Insights through Case Studies](#)

KeyHIE User Group Conference 2019

The 2019 KeyHIE User Group Conference is approaching quickly! We are planning another slate of great content this year, so you will not want to miss this event. Please reserve the date of April 10th, 2019 for this year's conference at the Pine Barn Inn. We look forward to seeing you there!

On behalf of the team here at KeyHIE, we would like to wish you a safe and joyful holiday season! We look forward to seeing you in 2019!
