

Stacy Reibsome MSN, RN is the Director of Information Systems at Evangelical Community Hospital. I graduated with my diploma in nursing from Geisinger Medical Center. I began my career in 1991 as a staff nurse at Geisinger Medical Center. In 2001, I began working as a Clinical Systems Specialist in Information Systems at Evangelical Community Hospital. I was promoted to the director position in 2011. I earned my Bachelors of Science in Nursing in 2015 from Chamberlain University. In 2021, I earned my Masters of Science in Nursing – Executive Track, from the same university. I also hold a professional certificate in Nursing Informatics from Indiana University. I have always enjoyed working with clinicians on leveraging systems to gain access to the data they need to benefit their patients. Today, I spend a lot of time mentoring and encouraging other healthcare professionals to get involved in informatics. In my life outside of work I enjoy traveling, and spending time with my adult children and my pets.
